ABOUT THE GLENWOOD FAIRE: A TASTE OF GLENWOOD SOUTH

'The Glenwood Faire: A Taste of Glenwood South' is an annual event that attracts guests from downtown and beyond. It is a showcase and sampling of the restaurants, retailers, and service providers based in the flourishing Glenwood South District in Downtown Raleigh that make Glenwood South such a unique destination.

PROMOTE YOUR BUSINESS

Guests' entry fee entitles them to taste a sample from each participating restaurant and interact with all of the collaborating businesses plus enjoy beer and wine on draft for sale by the glass! Participating businesses are encouraged to hand out marketing materials, special promotions, and sign up guests to email lists to encourage guests to return to Glenwood South and spend more of their valuable time and money in our neighborhood.

GUESTS FROM AROUND THE TRIANGLE

Last year's event attracted over 250 guests from throughout the Triangle. Participants included restaurants, service providers, and retailers from the Glenwood South District.

BENEFITING

A portion of the proceeds from The Glenwood Faire will go directly to support the works of the Glenwood South community outreach organization at Saint Saviour's Center. The remainder will go to the Glenwood South Neighborhood Collaborative to fund further events to benefit Glenwood South businesses and the community.
